## TO THE ASHFOUNDATION IN 2025

—regardless of size—advanced research, supported students and investigators, and strengthened the future of communication sciences and disorders. Donor generosity fuels ideas at their earliest stages, sustains promising careers, and helps translate discovery into meaningful impact for individuals, families, and communities. Each contribution reflects a shared belief in the power of research, education, and innovation.

**THE ASHFOUNDATION IS DEEPLY  
GRATEFUL FOR THIS PARTNERSHIP AND  
THE LASTING DIFFERENCE IT MAKES.**

**DEAR  
VALUED  
DONORS,**

With sincere gratitude, we thank you for your steadfast support of the American Speech-Language-Hearing Foundation. Because of your generosity, 2025 was a milestone year. Together, we disbursed a record-breaking \$1.3 million to 87 students, researchers, and clinicians, helping spark new ideas, accelerate discovery, and expand opportunity across the communication sciences and disorders community.

Your partnership fuels real impact. The progress we celebrate today is possible because you believe in what can happen when compassion and innovation move forward together.

As we enter 2026, the ASHFoundation's 80th anniversary, this milestone is not only a reflection of our history, but a tribute to the generosity, vision, and dedication of supporters like you who continue to shape our future.

Thank you for being such an essential part of our mission and for the hope you help create every day.

With deepest appreciation,

**Allison, Elizabeth, Emily, Kellie, Penny, and Sharon**
