

# Speech Science Research Grant Recipients

2007

**Awarded \$5,000**

**Mary K. Fagan**

Indiana University School of Medicine

*Vocalization and Sound Exploration in Hearing, Deaf, and Cochlear-Implanted Infants*

2005

**Awarded \$4,000**

**Rajka Smiljanic**

Northwestern University

*Effect of Clear Speech on Production and Perception of Croatian Rhythm*

2002

**Awarded \$5,000**

**Lori L. Holt**

Carnegie Mellon University

*An Investigation of the Perceptual and Learning Influences on Phonetic Category Formation*

2000

**Awarded \$5,000**

**Amy T. Neal**

Purdue University

*The Use of Formant Movement Detail in Vowel Identification*

1998

**Awarded \$5,000**

**Michael S. Vitevitch**

Indiana University, Bloomington

*Lexical and Sublexical Processing of Spoken Words in Adult Users of Cochlear Implants*

1996

**Awarded \$4,000**

**Helen M. Hanson**

Massachusetts Institute of Technology

*Acoustic Correlates of Vocal-Fold Vibratory Patterns*

1993

**Awarded \$2,000**

**Kathleen Ellen Cummings**

Georgia Institute of Technology

*Three Dimensional Modelling of Speech Production*

1991

**Awarded \$2,000**

**Yingyong Qi**

University of Arizona, Tucson

*Developing a Method for Tracking Voicing Irregularities*
